To Whom It May Concern:

This letter is written as a recommendation and endorsement of NC Grading and Excavating.

We hired NC Grading and Excavating to prepare a lot we own for our future home in Swain county, NC. The job entailed tree and stump removal, cutting in our driveway and creating a house pad. The job was completed in a timely manner and met our expectations.

We confidently recommend NC Grading and Excavating for all types of grading and excavating work. They go the extra mile to make sure the customer is satisfied.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kobus', with a long horizontal line extending to the right.
